Gentlemen:

This refers to your letter dated December 13, 2005, annual disclosure statements for elected officials. This is my annual statement due for February 15, 2006.

James Rucker Leake, Jr.
Town Alderman
Town of St. Francisville, La.

I am president of Leake Oil Company, Inc, a wholesale petroleum distributorship that has been in business since 1938. I own 48%, my wife, Susan F. Leake owns 1% and our son, James Rucker Leake III owns 51% of the stock. We are located at 7911 Highway 61, North, St. Francisville, LA. Our P. O. Box number is 458 and the zip code is 70775.

In the normal course of business we are selling diesel fuel to contractors working in New Orleans. We presently have tanks located around the City that we are delivering products to for Fordice Construction Co. Leake Oil Company also delivers diesel fuel to James Construction Group LLC who are working with other contractors rebuilding the levee in New Orleans. Leake Oil Company does not have a direct contract or subcontract with a government agency. The profits from these two accounts have been small. A copy of the statement for each account is attached hereto. If you need additional information, please advise.

Sincerely,

James R Leake, Jr
President
