Dear Sir

This is my final report. I spent 225 dollars to qualify as Sheriff as an independent. My mother gave me somewhere around $ 200 dollars to buy cards. She gave me another 50 dollars to buy some cheap posters. My brother Grandy gave me another 50 dollars so I could pay to run off copies of my anouncement. I only got 164 votes in the Sheriffs election so I did not make the runoff. The one who is currently Sheriff named Larry Cox paid for the black vote so I did not have a chance. I do not have a job at this time.

Sincerly
John H. Cartwright
