NOTICE

A political committee must register in each calendar year in which it will have over $500 of financial activity. The registration is accomplished by filing a Statement of Organization form and paying the $100 filing fee. Statements of Organization are filed annually by January 31. Any committee which realizes that it will have over $500 of financial activity after January 31 must register within ten days of its realization of that fact. However, if this occurs during the ten day period prior to an election the Statement of Organization must be filed within three days.

Political committees must file reports of receipts and disbursements on an annual basis. Annual reports are due by February 15 and should cover the preceding calendar year. Also, committees must file reports of receipts and disbursements on the same schedule as the candidates it supports or opposes. Reports are also due in connection with propositions (ballot issues) the committee supports or opposes. Schedules of reporting and filing dates for all elections are available from the Campaign finance Office.

AMENDMENT

Amended Report For:

Candidate: Louisiana Independent Federation of Electors
Report Period: 3/27/2000 – 10/18/2000

This is an amendment to the report for the time period stated above. We request that you replace the entire original report with this entire report.

Explanation of amendment:

1. The report originally filed included activity from 9/18/00 through 10/18/00 instead of activity including that from the last report date, which was 12/29/1999 through 3/26/2000. The amended report includes activity from 3/27/2000 through 10/18/2000. Because the amended report includes additional disbursements from the original, it would be difficult to replace pages because the order of individual disbursements has changed. Therefore, we request you replace the entire original report with this amended report.
