NOTICE

A political committee must register in each calendar year in which it will have over $500 of financial activity. The registration is accomplished by filing a Statement of Organization form and paying the $100 filing fee. Statements of Organization are filed annually by January 31. Any committee which realizes that it will have over $500 of financial activity after January 31 must register within ten days of its realization of that fact. However, if this occurs during the ten day period prior to an election the Statement of Organization must be filed within three days.

Political committees must file reports of receipts and disbursements on an annual basis. Annual reports are due by February 15 and should cover the preceding calendar year. Also, committees must file reports of receipts and disbursements on the same schedules as the candidates it supports or opposes. Reports are also due in connection with propositions (ballot issues) the committee supports or opposes. Schedules of reporting and filing dates for all elections are available from the Campaign Finance Office.
