Re: Anne LaCour Neeb Election Held 10/07/2000

Dear Sirs:

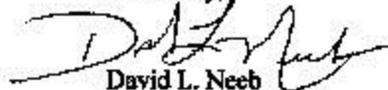

I am writing in response to your letter dated January 12, 2007 concerning the need for Anne LaCour Neeb to file a supplemental report concerning the election held on October 7, 2000. According to exception (2) outlined in your letter, a supplemental report is not required "if you did not serve in any elected public office during the 2006 calendar year, your election was prior to the calendar year 2002, and you have not received any additional contributions or made any loan repayment."

The election was held in October of 2000, which is prior to the calendar year 2002, the candidate did not hold any elected public office in 2006, and there have been no additional contributions or loan repayments. Hence, the candidate qualifies for this exception for filing supplemental reports.

Additionally, supplemental reports need only be "filed until all debts and loans, including the candidates personal loans have been reported as paid or forgiven" All of the debts and loans of the campaign, including personal loans have been forgiven or are past the statute of limitations (prescriptive period), which ended October 7, 2003.

Thanking you in advance for your cooperation in this matter, I remain

Yours truly,

David L. Neeb
