NOTICE

A political committee must register in each calendar year in which it will have over \$500 of financial activity. The registration is accomplished by filing a Statement of Organization form and paying the \$100 filing fee. Statements of Organization are filed annually by January 31. Any committee which realizes that it will have over \$500 of financial activity after January 31 must register within ten days of its realization of that fact. However, if this occurs during the ten day period prior to an election the Statement of Organization must be filed within three days.

Political committees must file reports of receipts and disbursements on an annual basis. Annual reports are due by February 15 and should cover the preceding calendar year. Also, committees must file reports of receipts and disbursements on the same schedule as the candidates it supports or opposes. Reports are also due in connection with propositions (ballot issues) the committee supports or opposes. Schedules of reporting and filing dates for all elections are available from the Campaign Finance Office.

Examples include interest or investment income. Receipts should be reported on this schedule only if they have not been reported elsewhere in this report. Schedule B-1

RE: Schedule B – Loans Received

Line 2d. On the June 2007 report the amount shown as the outstanding loan balance was \$44,430.06. With the principal payment of \$858.99 as shown in this report, it is expected that the current outstanding balance would be \$43,571.07. However, after reconciling the outstanding balance with the lender (Acadian Ambulance Service), it was discovered that errors had been made in recording the principal payments on the books of this entity. After correcting the outstanding balance for these recording errors, the current balance as of August 1, 2007 is \$41,444.36.

SCHEDULE E-3: CONTRIBUTIONS MADE TO CANDIDATES

The following information must be provided for direct contributions made to candidates or their campaign committees, during this reporting period, except for in-kind expenditures.
